

ParentVue

ParentVue is an on-line service that is easy to access and provides parents with the opportunity to go on-line and find information about their child's schedule, attendance, and academic performance. It also allows parents to subscribe to an email alert system that will automatically send an email when your child is absent. Community of Peace Academy is providing parent access to ParentVue to further promote educational excellence by enhancing communications with parents.

ParentVue Responsibilities

In response for the service of accessing ParentVue, every parent is expected to act in a responsible, ethical and legal manner. ParentVue is available to every parent guardian of a student enrolled at Community of Peace Academy. Users of ParentVue are required to adhere to some basic guidelines:

- Parents will not share their passwords with anyone, including their children.
- Parents will only access their own data and will not attempt to harm or destroy data of their children or of another user, school or district network or the Internet.
- Parents will only use ParentVue for legal activity and will follow data privacy laws. Anyone found to be violating laws will be subject to civil and/or criminal prosecution.
- Parents who identify a security problem with ParentVue must notify Community of Peace Academy immediately, without demonstrating the problem to anyone else.
- Parents who are identified as a security risk to the ParentVue program or District 4015 computers or networks will be denied access to ParentVue.
